

# E&W Trading Group

Alkyd Resin Export • Africa

## Who We Are

- Exclusive distributor of **PACHIN Egypt** for Alkyd Resins.
- **30+ years** in coatings trade and raw materials.
- Family-led, technically grounded, Africa-focused.

## Core Offering: Alkyd Resins

We export **long-, medium-, short-, and urethane-modified alkyds** engineered for:

- Decorative enamels
- Industrial coatings
- Printing inks
- Floors & automotive finishes

**Documentation with every shipment:** TDS • COA • SDS • Batch traceability.

## Why E&W

- **Exclusive PACHIN partnership**
- **Africa-focused export logistics** (West, East & Southern Africa)
- **Technical guidance** on resin selection & applications
- **20+ years** in paints, raw materials & distribution
- **Best Pricing in market**

## Bulk Paints & Coatings (Sourced)

Through our Egypt network, we also supply:

- Decorative paints (interior/exterior emulsions, enamels, primers)
- Industrial coatings (epoxy, polyurethane, anti-corrosion)
- Automotive refinish & wood coatings (PU, NC, waterborne)

*All bulk/B2B only. MOQs apply.*

## How We Work

1. **RFQ:** Share specs, grade, quantity, port, and INCOTERMS.
2. **Proposal:** Pricing, lead time, documentation.
3. **Execution:** Packing, shipment, status updates until delivery.

## Partner With Us

We are actively seeking **distributor partners across Africa**.

If you operate warehousing, industrial supply, or project distribution—let's connect.
